SECTION 2. Findings and Determinations. The Council of the City hereby finds and determines:

(a) The City is an incorporated municipality located in Lexington County, South Carolina, and Richland County, South Carolina, and as such possesses all powers granted to municipalities by the Constitution and laws of this State.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (“Constitution”), provides that general obligation debt may be incurred by the governing body of each city of the State of South Carolina for any public and corporate purpose in an amount not exceeding eight percent of the assessed value of all taxable property of such city.

(c) Pursuant to the Municipal Bond Act, the municipal council of any municipality may issue general obligation bonds of such municipality in fully registered form for any corporate purpose of such municipality to any amount not exceeding the constitutional debt limit applicable.

(d) Pursuant to such authority, the City issued the 2007A Bonds pursuant to the 2007A Bond Ordinance.

(e) The Refunding Act authorizes and provides the procedure for the issuance of general obligation bonds whose proceeds are to be used to pay, in whole or in part, sums due on general obligation bonds previously issued, and further provides that any issuer (defined to include a municipality) may issue general obligation bonds to such extent as such issuer shall be indebted by way of principal, interest, and redemption premium upon any outstanding general obligation bonds.

(f) The Refunded Bonds are subject to redemption at the option of the City on or after June 1, 2017, as a whole or in part at any time, at a redemption price equal to 100% of the principal amount to be redeemed together with the interest accrued on such principal amount to the date of redemption.

(g) Based on current market conditions and projections of savings, the Council finds that it is in the best interest of the City to effect a refunding of the Refunded Bonds in advance of their maturities because a savings can be effected through the advance refunding and redemption of such Refunded Bonds. The Council recognizes, however, that current market conditions may change and that, as of the date of the enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, will be realized through the refunding of the Refunded Bonds, and that certain authority relating to such refunding is delegated to the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any two of them acting together, of the City through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the adoption of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any two of them acting together, will be empowered to reject bids for the purchase of the refunding bonds.

(h) It is now in the best interest of the City for the Council to provide for the issuance and sale of general obligation refunding bonds of the City pursuant to the aforesaid provisions of the Constitution and

laws of the State of South Carolina in order to (i) effect an advance refunding of the Refunded Bonds and to authorize any Refunded Bonds to be called for redemption on or after June 1, 2017, or such other later date to be determined by the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any two of them acting together, and (ii) defray the costs of issuance of the Bonds.

SECTION 3. Authorization and Details of the Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, there is hereby authorized to be issued not exceeding \$7,500,000 principal amount of general obligation refunding bonds of the City to (i) effect an advance refunding of the Refunded Bonds and (ii) defray the costs of issuance of the Bonds. Each of the Bonds shall be issued in a principal amount determined by any two of the following people acting together: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, which amount will be sufficient to provide for the above-described purposes. The Bonds shall be designated “[principal amount issued] General Obligation Refunding Bonds, Series 2015 of the City of Columbia, South Carolina.” Notwithstanding anything herein to the contrary, the Bonds shall bear such additional numbers or other series designations in order to distinguish one series from another, as may be determined by the Mayor and the City Manager, or either one acting alone.

Each of the Bonds shall be issued as fully registered bonds; shall be dated as of the date of their delivery or the first or the fifteenth day of the month in which such series of bonds are delivered to the initial purchaser(s) thereof or such other date as determined by, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of such series of bonds maturing in each year unless issued as a single bond in the entire principal amount of such series; shall bear interest (calculated on the basis of a 360-day year of twelve 30-day months) from their date payable semiannually thereafter on June 1 and December 1 of each year commencing on a date determined by, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, until such respective series of bonds mature, at such rate or rates as may be determined by, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, at the time of the sale thereof; and shall mature serially in successive annual installments on June 1 in the years and in the principal amounts as determined by, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, pursuant to Section 5 hereof.

SECTION 4. Redemption of the Bonds to be Refunded. The refunding of any or all of the Refunded Bonds shall be effected with the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Refunded Bonds as and when such Refunded Bonds mature and are called for redemption in accordance with the respective provisions of the 2007A Bond Ordinance, at the redemption price thereof, together with accrued interest on such Refunded Bonds to the date fixed for redemption.

Upon the delivery of the Bonds, the principal proceeds thereof, less any accrued interest and less costs of issuance, shall be deposited with the Escrow Agent, and held by it under an escrow agreement with the City (“Escrow Agreement”) in a special trust account. If necessary, the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any two of them acting together, are authorized to direct the Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Escrow Agreement.

The Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any of them acting alone, are hereby authorized and directed for and on behalf of the City to execute such agreements, to

prepare, execute and file subscriptions for securities and to give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Escrow Agreement.

SECTION 5. Delegation of Authority to Determine Certain Matters Relating to the Bonds. Without further authorization, the Council hereby delegates, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, the authority to determine: (a) the original issue dates of the Bonds; (b) the aggregate principal amounts of the Bonds to be issued; (c) the respective first Interest Payment Date of the Bonds; (d) redemption provisions, if any, for the Bonds; and (e) the respective maturity dates and the principal amounts maturing on each maturity date (June 1) of the Bonds. The Council further delegates, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, the authority to: (a) designate the Paying Agent and Registrar for each series of the Bonds; (b) determine the dates and times of sale of the Bonds; (c) take such actions described in Section 17 and in conjunction with the sale of each of the Bonds, including receiving bids on behalf of the City to award the sale of each series of such bonds to the lowest respective bidder therefor, in accordance with the terms of the Notice of Sale for such series of bonds; (d) make adjustments to the principal amounts of the Bonds immediately following the sale; and (e) negotiate and execute all other contracts which may be necessary or required in connection with the issuance of the Bonds (provided, however, that unless otherwise expressly required by this Ordinance, only one authorized representative of the City shall be required to execute such contracts). After each sale of a series of the Bonds, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, shall submit a written report to the Council setting forth the results of the sale of such series of the Bonds.

SECTION 6. Book-Entry Bonds. If requested by the initial purchaser(s) of the Bonds, the Initial Bonds will be eligible securities for the purposes of the Book-Entry System of transfer maintained by the Depository, and transfers of beneficial ownership of the Initial Bonds shall be made only through the Depository and its participants in accordance with rules specified by the Depository. Such beneficial ownership must be of \$5,000 principal amount of the Bonds of the same series and maturity or any integral multiple of \$5,000.

The Initial Bonds will be issued in fully registered form, as a single bond or one bond for each of the series and maturities of the Bonds, in the name of Cede & Co., as the nominee of the Depository. When any principal of, premium, if any, or interest on the Initial Bonds becomes due, the City shall transmit or cause the Paying Agent to transmit to the Depository an amount equal to such installment of principal, premium, if any, and interest. Such payments will be made to Cede & Co. or other nominee of the Depository as long as it is owner of record on the applicable Record Date. Cede & Co. or other nominee of the Depository shall be considered to be the owner of the Initial Bonds so registered for all purposes of this Ordinance, including, without limitation, payments as aforesaid and receipt of notices. The Depository shall remit such payments to the Beneficial Owners of the Bonds or their nominees in accordance with its rules and regulations.

The Depository is expected to maintain records of the positions of Participants in the Initial Bonds, and the Participants and persons acting through Participants are expected to maintain records of the Beneficial Owners in the Initial Bonds. The City, the Paying Agent and the Registrar make no assurances that the Depository and its Participants will act in accordance with such rules or expectations on a timely basis, and the City, the Paying Agent and the Registrar shall have no responsibility for any such maintenance of records or transfer of payments by the Depository to its Participants, or by the Participants or persons acting through Participants to the Beneficial Owners.

The City, the Paying Agent and the Registrar may treat the Depository (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purpose of payment of the principal of,

interest or premium, if any, on the Bonds, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and shall not be affected by any notice to the contrary. The City, the Paying Agent and the Registrar shall not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through the Depository or any Participant, or any other person which is not shown on Books of Registry of the City maintained by the Registrar as being a Bondholder, with respect to the accuracy of any records maintained by the Depository or any Participant or the maintenance of any records; the payment by the Depository or any Participant of any amount in respect of the principal of, interest or premium, if any, on the Bonds; the sending of any transaction statements; the delivery or timeliness of delivery by the Depository or any Participant of any notice which is permitted or required to be given to Bondholders thereunder; or any consent given or other action taken by the Depository as a Bondholder.

SECTION 7. Successor Depository. If (a) the Depository determines not to continue to act as Depository for the Bonds and gives reasonable notice to the Registrar and the City, or (b) the City has advised the Depository of the City's determination that the Depository is incapable of discharging its duties, then the City shall attempt to retain another qualified securities depository to replace the Depository. Upon receipt by the City or the Registrar of the Initial Bonds together with an assignment duly executed by the Depository, the City shall execute and deliver to the successor Depository the Bonds of the same principal amount, interest rate, series and maturity. If the City is unable to retain a qualified successor to the Depository, or the City has determined that it is in its best interest not to continue the Book-Entry System of transfer or that interests of the Beneficial Owners of the Bonds might be adversely affected if the Book-Entry System of transfer is continued (the City undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify Beneficial Owners of the Bonds by mailing an appropriate notice to the Depository, upon receipt by the City of the Initial Bonds together with an assignment duly executed by the Depository, the City shall execute, authenticate and deliver to the Depository Participants Bonds in fully registered form, in substantially the form set forth in Section 11 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

SECTION 8. Registrar and Paying Agent. Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts. A bank designated by, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, may act as the Registrar and the Paying Agent for the Bonds.

SECTION 9. Registration, Transfer and Exchange of Bonds. The City shall cause the Books of Registry to be kept at the offices of the Registrar for the registration and transfer of the Bonds. Upon presentation at its office for such purpose, the Registrar shall register or transfer, or cause to be registered or transferred, on such Books of Registry, the Bonds under such reasonable regulations as the Registrar may prescribe.

Each Bond shall be transferable only upon the Books of Registry of the City, which shall be kept for such purpose at the principal office of the Registrar, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond, the Registrar on behalf of the City shall issue in the name of the transferee a new fully registered Bond or Bonds of the same aggregate principal amount, interest rate, series and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar.

The City, the Registrar and the Paying Agent may deem or treat the person in whose name any fully registered Bond shall be registered upon the Books of Registry as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes; and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Registrar shall be affected by any notice to the contrary. In all cases in which the privilege of transferring Bonds is exercised, the City shall execute and the Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. Neither the City nor the Registrar shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on the Bonds.

SECTION 10. Record Date. The City hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be not more than fifteen (15) days preceding an Interest Payment Date on such Bond or, in the case of any proposed redemption of Bonds, such record date shall be not more than fifteen (15) days (whether or not a business day) prior to the mailing of notice of redemption of Bonds.

SECTION 11. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the City shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event, the applicant for the issuance of a substitute Bond shall furnish the City and the Registrar evidence or proof satisfactory to the City and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity as may be required by the laws of the State of South Carolina or such greater amount as may be required by the City and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 12. Execution of Bonds. The Bonds shall be executed in the name of the City with the manual or facsimile signature of the Mayor of the City attested by the manual or facsimile signature of the Clerk of the City under a facsimile of the seal of the City which shall be impressed, imprinted or reproduced thereon. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 13. Form of Bonds. The Bonds shall be in substantially the following form. In the event either series of the Bonds will be held by a single Bondholder, the form of bond may be revised as a single fully registered bond for each such series which sets forth any or all maturing principal amounts:

At such time as the Bonds shall no longer be deemed to be outstanding hereunder, the Bonds shall cease to draw interest, and, except for the purposes of any such payment from such moneys or Government Obligations as set forth in (ii) above, shall no longer be secured by or entitled to the benefits of this Ordinance.

SECTION 16. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the South Carolina Code, from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

Book-Entry Only Bonds: The Bonds will be issued in fully registered form. If requested by the successful bidder, a single Bond or one Bond representing each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("Depository"), as registered owner of the Bonds, and each such Bond will be immobilized in the custody of the Depository. The Depository will act as the Depository for the Bonds. Individual purchases will be made in book-entry only form in the principal amount of \$5,000 or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; purchasers will not receive physical delivery of certificates representing their interest in the Bonds purchased. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the Bond certificates representing each maturity with the Depository. Notwithstanding the foregoing, at the request of the successful bidder, the Bonds will be issued as one single fully registered bond and not issued through the book-entry system.

Bonds: The Bonds will be dated _____, 2015 or such other date as the successful bidder may requested; and will mature serially in successive annual installments on June 1 in each of the years and in the principal amounts as follows:

Maturity Date

Amount

The Bonds will bear interest from the date thereof payable semiannually on June 1 and December 1 of each year commencing _____ 1, 20____, until the Bonds mature. Interest will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Adjustment of Maturity Schedule. If, after final computation of the proposals, the City determines in its sole discretion that the funds necessary to accomplish the purposes for which the Bonds are being issued are either more or less than the proceeds of the sale of the amount of the Bonds as shown in this Notice of Sale, it reserves the right either to decrease or increase the principal amount of the Bonds (all calculations to be rounded to the near \$5,000), provided that any such decrease or increase shall not exceed 15% of the principal amount thereof. Such adjustment(s), if any, shall be made within twenty-four (24) hours of the award of the Bonds. In order to calculate the yield on the Bonds for federal tax law purposes and as a condition precedent to the award of the Bonds, bidders must disclose to the City in connection with their respective bids the price (or yield to maturity) at which each maturity of the Bonds will be reoffered to the public.

In the event of any adjustment of the maturity schedule for the Bonds as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Nevertheless, the award of the Bonds will be made to the bidder whose proposal produces the lowest true interest cost solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of the Bonds pursuant to this paragraph. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

[Redemption provisions]

Registrar and Paying Agent: [], will act as the Registrar and the Paying Agent for the Bonds.

Bid Requirements: Bidders shall specify the rate or rates of interest per annum which the Bonds are to bear, to be expressed in multiples of 1/20 or 1/100, 1/8 of 1% with no greater difference than three (3%) percent between the highest and lowest rates of interest named by a bidder. Bidders are not limited as to the number of rates of interest named, but the rate of interest on each separate maturity must be the same single rate for all Bonds of that maturity from their date to such maturity date. **A BID FOR LESS THAN ALL THE BONDS, OR A BID AT A PRICE LESS THAN PAR, WILL NOT BE CONSIDERED.** In addition to the bid price, the successful bidder must pay accrued interest, if any, from the date of the Bonds to the date of full payment of the purchase price.

Award of Bid: The Bonds will be awarded to the bidder or bidders offering to purchase the Bonds at the lowest true interest cost to the City, such true interest cost being the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Bonds (computed at the interest rates specified in the bid and on the basis of a 360-day year comprised of twelve 30-day months) to the dated date of the Bonds, results in an amount equal to the price bid for the Bonds. In the case of a tie bid, the winning bid will be awarded by lot. The Council reserves the right to reject any and all bids or to waive irregularities in any bid. Bids will be accepted or rejected no later than 3:00 p.m., South Carolina time, on the date of the sale.

For the purpose of calculating the yield on the Bonds for federal tax purposes as a condition precedent to the award of the Bonds, the successful bidder will, within 30 minutes after being notified of its

apparent winning bid, advise the City by email or by facsimile transmission of the initial offering prices of the Bonds to the public (expressed as a price, exclusive of accrued interest, or yield per maturity).

Good Faith Check: No good faith deposit is required.

Bid Form: Each proposal should be enclosed in a sealed envelope marked "Proposal for \$ _____ General Obligation Refunding Bonds, Series (year), City of Columbia, South Carolina" and should be directed to the Mayor at the address in the first paragraph hereof. It is requested but not required that you submit your bid on the Proposal for Purchase of Bonds supplied with the Official Statement.

Official Statement: The City deems the Preliminary Official Statement to be "final" as described in SEC Rule 15c2-12(b)(1) for the purposes of such Rule. Upon the award of the Bonds, the City will prepare a Final Official Statement ("Official Statement") in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Official Statement. Within seven (7) business days after the award of the Bonds, the City will provide the successful bidder a sufficient quantity of the Official Statement to comply with Rule G-32 of the Municipal Securities Rulemaking Board. The successful bidder agrees to supply to the City all necessary pricing information and any Underwriter identification necessary to complete the Official Statement within 24 hours after the award of the Bonds.

Continuing Disclosure: In order to assist the bidders in complying with S.E.C. Rule 15c2-12(b)(5), the City will undertake, pursuant to a Disclosure Dissemination Agent Agreement executed with Digital Assurance Certification, L.L.C., to provide certain annual financial information and notices of the occurrence of certain events if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

Purpose: The Bonds are being issued to provide funds (i) to effect an advance refunding of the City of Columbia, South Carolina, General Obligation Bonds, Series 2007A, maturing in June 1, 2018 through and including June 1, 2027, currently outstanding in the principal amount of \$6,365,000, and (ii) costs of issuance of the Bonds; and (iii) such other lawful corporate and public purposes as the City shall determine.

Security: The Bonds shall constitute binding general obligations of the City and the full faith, credit, taxing power and resources of the City are irrevocably pledged for the payment of the bonds and for the creation of such sinking fund as may be necessary to provide for the prompt payment thereof. There shall be levied and collected annually upon all taxable property of the City an ad valorem tax, without limitation as to rate or amount, sufficient for such purposes.

Legal Opinions: The Council shall furnish upon delivery of the Bonds the final approving opinion of Parker Poe Adams & Bernstein LLP, Columbia, South Carolina, which opinion shall be attached to each Bond, together with the usual closing documents, including a certificate that no litigation is pending affecting the Bonds. Certain legal matters will be approved by Teresa Knox, Esq., City Attorney.

Certificate as to Issue Price: The successful bidder must provide a certificate to the City by the date of delivery of the Bonds, stating the initial reoffering price of the Bonds to the public (excluding bond houses and brokers) and the price at which a substantial amount of the Bonds were sold to the public, in form satisfactory to Bond Counsel. A sample copy of such a certificate may be obtained from Bond Counsel.

Delivery: At the request of the successful bidder, the Bonds will be delivered through the facilities of The Depository Trust Company in New York, New York, on or about _____, 2015, at the expense of the City, or at such other place as may be agreed upon with the purchasers at the expense of the purchaser.

The balance of the purchase price then due (including the amount of accrued interest) must be paid in federal funds or other immediately available funds. Any cost of printing the Bonds will be borne by the City.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be set forth on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the successful bidder.

Postponement: The City reserves the right to postpone, from time to time, the date established for the receipt of bids. The City will communicate any such change in the sale date through Thomson Municipal Market Monitor not less than 48 hours prior to the time bids are to be received. If any date fixed for the receipt of bids and the sale of the Bonds is postponed, any alternative sale date will be announced through Thomson Municipal Market Monitor, or a similar nationally recognized electronic notification service, at least 48 hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a sealed, facsimile, or electronic bid for the purchase of the Bonds in conformity in all respects with the provisions of this Notice of Sale, except for the date of sale and except for the changes announced through Thomson Municipal Market Monitor at the time the sale date and time are announced.

Financial Advisor: The City has employed Stifel – Merchant Capital Division, Columbia, South Carolina, as its Financial Advisor in connection with the issuance of the Bonds.

Additional Information: A copy of the Preliminary Official Statement in deemed final form and the Official Notice of Sale are available via the internet at <http://www.idealprospectus.com> and will be furnished to any person interested in bidding for the Bonds upon request to the City’s Financial Advisor. Mayor, City of Columbia, South Carolina

SECTION 18. Preliminary and Final Official Statement. The Council hereby authorizes and directs, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, to prepare, or cause to be prepared, a Preliminary Official Statement with respect to the Bonds, to be distributed to prospective purchasers of the Bonds, together with the Notice of Sale. The Council authorizes, acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, to “deem final” such Preliminary Official Statements for purposes of Rule 15c2-12 of the Securities and Exchange Commission. Acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, are

further authorized to see to the completion of the final form of the Official Statement relating to each series of the Bonds upon the sale thereof so that it may be provided to the purchaser(s) of such series of the Bonds.

SECTION 19. Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of a Disclosure Dissemination Agreement in substantially the form attached hereto as Exhibit A (“DAC Agreement”). Notwithstanding any other provisions of this Ordinance, failure of the City to comply with the DAC Agreement shall not be considered an event of default, and no liability for damages shall attach therefor. The sole remedy for such failure to comply shall be that any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Section.

SECTION 20. Filings with Central Repository. In compliance with Section 11-1-85 of the South Carolina Code, the City covenants that it will file or cause to be filed with a central repository for further availability in the secondary bond market when requested: (a) a copy of the annual audit of the City within thirty (30) days of the City's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which, in the opinion of the City, adversely affects more than five percent (5%) of the City's revenue or its tax base.

SECTION 21. Deposit and Use of Proceeds. The proceeds derived from the sale of each series of the Bonds shall be deposited in a special fund, separate and distinct from all other funds, and applied solely to the purposes for which the respective series of the Bonds are issued except that the accrued interest, if any, shall be used to discharge in part the first interest to become due on each series of the Bonds.

SECTION 22. Federal Tax Covenants. The City hereby covenants and agrees with the holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the bondholders for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Bonds and that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be “arbitrage bonds”, as defined in Section 148 of the Code, and to that end the City hereby shall:

- (a) comply with the applicable provisions of Section 103 and Sections 141 through 150 of the Code and any regulations promulgated thereunder so long as the Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts in the manner and at the times required in order to comply with the requirements of the Code relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the Code.

SECTION 23. Retention of Financial Advisor, Bond Counsel and Other Suppliers. Council hereby authorizes acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director (a) to retain and, if necessary, in connection therewith, execute a financial advisory agreement with, Stifel – Merchant Capital Division, Columbia, South Carolina, as the City's financial advisor in order to advise bond counsel and the City in connection with the issuance of the Bonds, and (b) to retain the law firm of Parker Poe Adams & Bernstein LLP as its bond counsel in connection with the issuance of the Bonds.

Council hereby further authorizes acting together, any two of the following people: the Mayor, the City Manager, the Chief Financial Officer, and the Finance Director to enter into such contractual arrangements

with printers and the suppliers of other goods and services necessary to the sale, execution and delivery of the Bonds as is necessary and desirable.

SECTION 24. Miscellaneous. The Council hereby authorizes the Mayor, City Manager, City Clerk, the Chief Financial Officer, Finance Director, and City Attorney to execute such documents and instruments as may be necessary to effect the issuance of the Bonds or make modifications in any documents including but not limited to the form of the Bond or Notice of Sale. The Mayor, the City Manager, the Chief Financial Officer, and the Finance Director, or any of them acting alone, with the assistance of the Financial Advisor, are hereby authorized to negotiate the terms of, and execute in the name and on behalf of the City, investment agreements, forward delivery agreements, repurchase agreements and other agreements in connection with the Bonds, to prepare and solicit bids for providers of such agreements and to execute, in the name and on behalf of the City, written confirmations of any such agreements and other documents as may be necessary in connection therewith. The City intends to delay the refunding until present value savings of at least 3% can be achieved. The City intends to complete the refunding only if the compensation of the related professionals (e.g. bond counsel, financial advisor, etc.) is contingent on a successful pricing and closing of the refunding bond. Following closing, all costs associated with the issuance shall be reported to City Council.

SECTION 25. Repeal of Conflicting Ordinances. All rules, regulations, ordinances, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed, and this Ordinance shall take effect and be in full force from and after its enactment.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.
