Tenant covenants that any such improvements and alterations shall be made in a workmanlike manner and in compliance with all applicable federal, state and municipal laws and regulations.

If Tenant desires to contest the claim of any mechanic's lien, Tenant shall: (1) post a release bond issued by a responsible corporate surety as prescribed by law, and (2) promptly pay or cause to be paid any and all sums awarded to the claimant on its suit. If Tenant fails to bond off or satisfy any mechanic's lien, then Landlord, in addition to any other rights and remedies it may have under this lease or at law or in equity, may (but shall not be obligated to) discharge said lien by: (1) paying the claimant an amount sufficient to settle and discharge the claim, (2) posting a release bond, or (3) taking such action as Landlord may deem appropriate, and Tenant shall pay to Landlord on demand (and as Additional Rent hereunder) all costs incurred by Landlord in settling and/or discharging such lien (including reasonable attorneys' fees and bond premiums).

(b) Landlord or its representatives shall have the right to go upon and inspect the Premises at all reasonable times and shall have the right to post and keep thereon notices of non-responsibility or such other notices that Landlord may deem to be proper for the protection of Landlord's interest in the Premises. (b) No assignment or sublease releases the Tenant of its obligations or alters the primary liability of the Tenant to pay the rent and to perform all the Tenant's other obligations under this Lease, except as may be specifically provided herein.

(c) Amendments or modifications of this Lease subsequent to permitted assignment or sublease without notice to and consent of Tenant will not relieve the Tenant of any liability under this Lease.

11. SIGNS.

Tenant may install signs on the Premises and in designated Common Areas in the Building and Land only as permitted in the Rules and Regulations attached as Exhibit "B" hereto, as they may be amended by Landlord from time to time. At Landlord's request, all signs and symbols installed by Tenant shall be removed by Tenant at the termination of this Lease.

12. DAMAGE OR DESTRUCTION.

(a) If the Premises are damaged or destroyed, the Landlord may cause the property to be repaired or restored. If repair or restoration is made, Landlord shall repair and reconstruct the Premises to be in substantially the same condition as its condition prior to said damage or destruction to the extent permissible under then-existing law. In connection with such repair, Landlord and Tenant covenant and agree to immediately execute any and all documents necessary to make available to Landlord all proceeds of insurance, subject to the claims of the mortgagee or beneficiary of a deed of trust given by Landlord. This Lease shall remain in full force and effect and the rental payable hereunder shall not abate during such repair and restoration, except for space which cannot be occupied prior to the repair and restoration.

(b) If repair restoration is not made, then either party may elect to cancel and terminate this Lease by giving written notice of its election to the other party within thirty (30) days after the date of such damage. In such event, all insurance proceeds may be retained by Landlord.

(c) If Landlord, pursuant to the terms hereof, elects to repair, replace, reconstruct or rebuild the Premises as provided above, Landlord shall diligently commence and carry out such repair or replacement as soon as practicable.

(c) If the Lease is terminated under this Section, the effective date of termination under the provisions hereof shall be the date of damage. Upon such termination, all parties shall be released from all further liability hereunder except that Landlord shall refund to Tenant any prepaid rent or similar sums as may be properly applied to the period after the effective date of termination; and Tenant shall pay Landlord all sums that it may be obligated to pay to Landlord up to and including the effective of termination.

(d) Tenant agrees to immediately replace broken or damaged glass of the same quality in conformity with building code requirements.

13. INSURANCE.

(a) At all times from and after the first date of Tenant's entry or occupancy of the Premises, Tenant shall procure and maintain in full force and effect, the following policies of insurance:

(1) Comprehensive public liability and property damage, and business interruption insurance covering the demised Premises. Said insurance shall: (1) be placed with

companies licensed to do business in the state where the Premises are located; and (2) placed with companies with a Best's rating of "A" or better and indicated to be of sufficient size to qualify for Best's designation VI. The liability policy shall be a policy of combined Single Limit, Bodily Injury and Property Damage insuring both Tenant, Landlord, and Landlord's designees pursuant to Section 13(d) against any liability arising out of the ownership, use, occupancy or maintenance of the demised Premises in an amount not less than One Million (\$1,000,000.00) Dollars.

(2) Workers' Compensation insurance in the amount required by the State of South Carolina for the benefit of Tenant's employees.

(3) Property insurance covering any peril generally included in the classification "special perils" (f/k/a "all risks") covering all personal property and improvements owned by or installed by Tenant and located on the Premises, in an amount not less than the full replacement cost thereof. Any policy proceeds shall be used for the repair or replacement of the property damaged or destroyed unless this Lease is terminated pursuant to Section 12 above.

(4) Insurance covering the full replacement cost of all plate glass on the Premises.

(b) Tenant shall pay its pro rata share of the premiums for the property damage and liability insurance policies on the Building and Land maintained by Landlord for Landlord's protection; such share to be determined in accordance with Section 5(b) above.

(c) With respect to any risk covered by property damage insurance, Tenant hereby waives any rights it may have against Landlord on account of any loss or damage occasioned to Tenant, its respective property, the demised Premises or its contents, or to other portions of the building, and Tenant, on behalf of its insurance companies, waives any right of subrogation that it may have against Landlord.

(d) All policies of insurance maintained by Tenant shall name Landlord, its mortgagees and designees as "additional insureds". Said policies shall provide that such insurance shall not be modified or terminated without at least thirty (30) days prior written notice to the Landlord and any other loss payee. Prior to the effective date of such insurance or any renewal or replacement thereof, Tenant shall provide Landlord with a copy of the policy or policies evidencing the insurance coverage required by this paragraph.

14. HOLD HARMLESS.

(a) Tenant shall save and hold Landlord harmless from any claim, action, damage, or other loss, including reasonable attorneys' fees, arising or resulting from the execution of this Lease, the possession or occupation of the Premises by Tenant, the negligence of Tenant or Tenant's employees, agents or invitees. Landlord shall save and hold Tenant harmless from any claim, action, damage, or other loss, including reasonable attorneys' fees, arising or resulting from the negligence of Landlord or Landlord's employees or agents.

15. CONDEMNATION.

(a) If the Premises or any portion thereof are taken under the power of eminent domain, or sold by Landlord under the threat of the exercise of said power (all of which is herein referred to as "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever occurs first. If more than twenty-five (25%) percent of the floor area of the Premises is taken by condemnation, either Landlord or Tenant may terminate this Lease, as of the date the condemning authority takes possession, by notice in writing of such election within twenty (20) days after Landlord shall have notified Tenant of the taking, or, in the absence of such notice, then within twenty (20) days after the condemning authority shall have taken possession.

(b) If this Lease is not terminated by either Landlord or Tenant, then it shall remain in full force and effect as to the portion of the Premises remaining, provided the rent shall be reduced in the proportion that the square feet taken within the Premises bears to the total square feet of the Premises. In the event this Lease is not so terminated, then Landlord agrees, at Landlord's sole expense, to restore the Premises to a complete unity of equivalent quality, character and access as existed prior to the condemnation, as soon as practicable.

(c) As between Landlord and Tenant, all awards for the taking of any part of the Premises or any payment made under the threat of the exercise of power of eminent domain shall be the property of Landlord, whether made as compensation for diminution of value of a leasehold or for the taking of the fee or as severance damages; provided, however, that Tenant shall be entitled to any award for relocation expenses, loss of or damage to Tenant's trade fixtures, tenant improvements and removable personal property.

16. TENANT'S PERSONAL PROPERTY.

(a) All personal property, including trade fixtures owned or leased by Tenant and used upon the Premises in Tenant's business operation, shall be at the risk of Tenant.

(b) Tenant may remove its personal property, including trade fixtures not permanently affixed, at any time, provided that Tenant shall repair any damage to the Premises caused by such removal or by the original installation of said personal property. If, after thirty (30) days' written notice from Landlord to repair such damage, Tenant does not repair the same, Landlord may repair the damage at Tenant's expense. No property permanently affixed to the Premises, or which may not be removed without causing substantial damages to the Premises, may be removed without Landlord's prior written consent.

(c) Tenant shall pay all personal property taxes and any additional assessed property taxes due to leasehold improvements made by Tenant during the Term of the Lease or any extensions and/or renewals thereof.

17. DEFAULT AND REMEDIES.

(a) The doing of any of the following by Tenant shall constitute an event of default under the terms of this Lease:

(1) Failure of the Tenant to pay rent or any sums due as Additional Rent required to be paid hereunder (where such failure continues for five (5) days after written notice thereof by Landlord to Tenant); or

(2) Failure to perform as required or conditioned by any of the covenants and agreements contained in this Lease within a reasonable time, but in no event later than twenty (20) days after written notice by Landlord to Tenant specifying wherein Tenant has failed to perform such obligations; provided, however, that if the nature of Tenant's obligation is such that more than twenty (20) days are required for performance, then Tenant shall not be in default if Tenant commences performance within such period and thereafter diligently prosecutes the same to completion; or

(3) The subjection of any right or interest of Tenant to attachment, execution, or other levy, or to seizure under legal process, if not released within thirty (30) days; or

(4) An assignment by Tenant for the benefit of creditors; or the filing of a voluntary or involuntary petition by or against Tenant under any law for the purpose of adjudicating Tenants as bankrupt, or for extending time for payment, adjustment, or satisfaction of Tenant's liabilities, or reorganization, dissolution, or arrangement on account of or to prevent bankruptcy or insolvency; unless the assignment or proceedings, and all consequent orders, adjudications, custodies, and supervision are dismissed, vacated, or otherwise permanently stayed or terminated within sixty (60) days after the assignment, filing, or other initial event; or

(b) Upon the occurrence of an event of default by the Tenant, Landlord, at its sole option, in addition to any other rights or remedies provided by law or equity, may do any one or more of the following:

(1) Landlord may terminate this Lease, retake possession of the Premises, and recover from Tenant: (a) the amount of the unpaid rent which was earned at the time of termination; (b) the amount by which (1) the unpaid rent for the initial term, or renewal term if the breach occurs during such renewal term, which would have been earned for the balance of the then-current term after termination exceeds (2) the amount of such rent, if any, obtained by Landlord from re-letting the Premises and/or Equipment for the balance of the then-current term or the amount of the rental loss Tenant proves could have been reasonably avoided, whichever is greater; and (c) any other amounts necessary to compensate Landlord for all damage or detriment proximately caused by Tenant's failure to perform its obligations under the Lease or which in the ordinary course of things would be likely to result therefrom. Nothing contained herein shall be deemed to limit any other rights or remedies of the Landlord.

(2) Landlord may maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant shall have abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(3) If Tenant fails to make or perform any required payment or act, Landlord may do so for Tenant's account. Tenant shall pay to Landlord on demand all amounts so paid by Landlord and all incidental costs and expenses (including reasonable attorney's fees and expenses) incurred in connection with the payment or performance, including interest thereon at the maximum legal rate, from the date the payment is made or the costs and expenses are incurred.

(4) Landlord may recover its legal fees and costs of enforcing this Lease or otherwise arising as a result of any default by Tenant.

(5) Landlord may pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State of South Carolina.

(c) As a precondition to pursuing any remedy under this Section for alleged default by the Tenant, the Landlord shall give notice of the default to the Tenant. Each notice of default shall specify the alleged event of default and the intended remedy. After expiration of the applicable time for curing a particular default, the Landlord may, at Landlord's election, make any payment required of Tenant under this Lease, or perform or comply with any covenant or condition imposed on Tenant under this Lease. Any amount so paid or the cost of such performance, shall be deemed Additional Rent payable by Tenant with the next succeeding installment of rent. No such act shall constitute a waiver of default or render Landlord liable for any loss or damage resulting from any such act.

(d) Landlord shall not be considered to be in default under this Lease unless: (1) the Tenant has given to Landlord and any mortgagee on the Premises written notice specifying the default; (2) the Landlord has failed for thirty (30) days to cure the default; (3) and the Lender or mortgagee has failed for an additional thirty (30) days to cure the default, if it is curable, or institute and diligently pursue reasonably corrective action for noncurable defaults or is taking steps with due diligence to obtain the legal right to enter the leased Premises and cure the default.

18. REMEDIES CUMULATIVE.

Upon any breach, any and all rights and remedies which either party may have under this Lease or by operation of law or equity, shall be distinct, separate, and cumulative and shall not be deemed inconsistent with each other. No such right or remedy whether exercised by said party or not, shall be deemed to be in exclusion of any other right or remedy, and any two or more of all such rights and remedies may be exercised at the same time or separately as desired.

19. CONDUCT OF TENANT'S ACTIVITIES; COMPLIANCE WITH LAW.

(a) Tenant shall use the Premises for the purpose of providing laundry services. During the Term of this Lease and any renewals and/or extensions hereof, Tenant shall only use the Premises for the purpose of providing laundry services, unless the prior written consent of Landlord is obtained. Tenant shall not commit or suffer to be committed any waste in or upon the Premises.

(b) Tenant shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, zoning restriction, restrictive covenants of record, ordinances or governmental rule or regulation or requirements of duly constituted public authorities now in force or which may hereafter be enacted or promulgated.

20. ACCESS BY LANDLORD.

(a) Landlord shall have access to the Premises for purposes of inspection at all reasonable and necessary times upon reasonable notice to inspect the Premises for any purpose connected with the repair, improvement, cure and management of the Premises and to perform any work or other act found necessary on such inspection.

21. MAINTENANCE AND REPAIR.

(a) By taking possession of the Premises, Tenant will be deemed to have accepted the Premises in their "AS IS", "WHERE IS" condition on the date of delivery of possession. Tenant acknowledges that Tenant has inspected and hereby accepts the Premises in their present condition and configuration as suitable for Tenant's intended operations in the Premises. Tenant agrees that the Premises and other improvements are in good and satisfactory condition as of when possession was taken. Tenant further acknowledges that no representations as to the condition or repair of the Premises nor promises to alter, remodel or improve the Premises have been made by Landlord or any agents of Landlord and that neither Landlord nor its agents or employees have made any representations or warranties as to the suitability or fitness of the Premises for the conduct of Tenant's business or for any other purpose.

(b) Except as otherwise specifically provided in this Lease, Tenant shall at its expense keep the Premises and its property thereon in good condition and repair; and shall at its expense provide all other necessary repairs to the Premises not specifically made the Landlord's responsibility under this instrument. (c) Upon the expiration or earlier termination of this Lease, Tenant shall surrender the Premises in the same condition as received or thereafter placed with the Landlord's approval or as herein authorized, broom clean, ordinary wear and tear and damage by fire, earthquake, or other casualty excepted.

(d) Landlord shall be responsible for the maintenance and repair the following, except for any repairs required by reason of the acts of Tenant, its employees, agents, invitees, licensees, or contractors that are not covered by the insurance required by Landlord hereunder:

(b) This Lease does not grant any rights to light, view or air over property adjacent to the Premises, and any diminution or shutting off of light, view or air by any structure that may be erected adjacent or attached to the Building shall not affect this Lease or impose any obligation or liability upon Landlord.

27. SUBORDINATION.

At the option of the Landlord, this Lease shall be subordinate to the lien of any first mortgage, deed of trust, debentures or other encumbrances which may hereafter be made or created covering the leased Premises or any property of which the Premises are a part; provided that the mortgagee (or beneficiary under a deed of trust) agrees to recognize this Lease in the event of foreclosure, if Tenant is not in default hereunder.
