

City of Columbia Wants to Hear from You

The U.S. Department of Housing and Urban Development (HUD) has allocated \$19.98 million to help the City of Columbia and its residents recover from the October 2015 flood.

The Community Development Block Grant – Disaster Recovery (CDBG-DR) program governs how these funds can be used. The City invites all City residents and business owners to have their say in how the funds should be used to rebuild Columbia.
