## 06/29/09 Status/Updates of Grants

Here is the **total amount of funds awarded/allocated** to the City of Columbia thus far: \$28,346,208. However, this total does NOT include the following awards/allocations:

\$1,038,350 for TN Development Corporation  
(as part of the Neighborhood Stabilization Program funds from HUD))

\$141,886 for SC Primary Health Care Association  
\$500,269 for Eau Claire Cooperative Health Center  
\$225,210 for Richland Community Health Care Association  
(as part of the Community Health Center Grants from HHS)

\$750,000 for Assessment Coalition  
(as part of Brownfield Grants from EPA)

If you add the above funds, the total becomes \$31,001,923.

Also, the City has been awarded monies through the State Diesel Emission Reduction Grant to fund the retrofitting of 15 to 20 of the City's vehicles. The State is currently working on its final budget for all these discretionary grants. Once it is finalized, we will have a definite number of vehicles and a definite award amount. (If all of the trucks were funded as submitted, the cost of the retrofit would total approximately \$131,000.)

Here is the **total amount of ARRA funds applied for:**

SC Dept. of Public Safety JAG Competitive Grants (5)	\$ 1,214,484
COPS Hiring Grant (for 94 officers)	\$14,774,356
Recovery Act Local Youth Mentoring Initiative	\$ 136,028
Assistance to Firefighter Grant (for ladder truck)	<u>\$ 950,000</u>
	\$17,074,868

However, this total does NOT include the (non-ARRA) MetLife Revitalization Award to which the City has applied. If you add that possible \$25,000, the total of ALL funds applied for becomes \$17,099,868.

(The non-ARRA [usual, yearly] Byrne JAG formula funding of \$145,457, as well as the MMRS DHS formula funding of \$321,221, the City received is also NOT included.)
