Mr. Cohn recused himself from discussion on the project due to economic interest, therefore vice-chairman, Mr. Dinkins, Jr., presided over the meeting.

Todd Walter, neighboring community resident, was not opposed to the request, however raised questions with regard to the buffer between developments.

Mr. Dinkins, Jr. reminded the Commission and those in attendance that the task for consideration is the request for annexation of these properties; the buffer has no impact on the decision. Any questions or discussion should be taken up with the developer for the project as it is a PUD.

Motion by Mr. Stigamier to recommend approval of the request for annexation and assigned land use classification to 567 Spears Creek Church Road and 751 Spears Creek Church Road.
Motion seconded by Mr. Stern. Motion approved 7-0.
