

Do you have what it takes?

Join our Adoption Ambassadors program and make a difference

Did you know that you have a lot of influence in helping a shelter pet find a new home?

40% of pet owners learned about their new pet through word of mouth—the majority of pets are obtained from acquaintances & family.

Columbia Animal Services / The Animal Mission received a grant by the ASPCA to establish an Adoption Ambassadors Program. This program empowers those who foster animals to become adoption counselors on behalf of Columbia Animal Services. Ambassadors take home dogs or cats available for adoption and pledge to help those animals find safe & loving homes through word of mouth, social media posts & emails to friends & family, or by hitting the streets with their foster pets. Ambassadors process adoptions themselves, returning adoption applications to Columbia Animal Services.
