II. INTRODUCTION

A. BACKGROUND

This **Notice of Funding Available (NOFA)** announces the availability of funding for the Program Year (PY) July 1, 2019 - June 30, 2020 for the Community Development Block Grant (CDBG) Program. The CDBG Program is funded and regulated at the federal level by the U.S. Department of Housing and Urban Development (HUD) and administered locally by the City of Columbia, under the auspices of the Community Development Department. The CDBG Program is authorized under Title I of the Housing and Community Development Act of 1974. The regulations implementing the CDBG Program are located in the 24 CFR, Part 570.

The City's objectives for this program are in accordance with HUD's National Objectives which seeks the development of a viable urban community through the implementation of the following National Goals, principally for the benefit of low-and moderate-income (LMI) persons:

- ***Benefiting Low and Moderate Income (LMI) Persons***
 - o *LMI - Individual Benefit*
 - o *LMA - Area Benefit*
 - o *LMC - Limited Clientele Benefit*
 - o *LMH - Housing Benefit*
 - o *LMJ - Creates or Retains Job Benefit*
- ***Addressing Slum or Blight; or***
- ***Meeting a Particular Urgent Community Need***

And the City of Columbia Priority Needs:

- ***Improving Affordable Housing Options***
- ***Expanding Economic Opportunities***
- ***Providing Suitable Living Environments***
- ***Improving Capacity of Area Housing and Community Service Providers***

The City of Columbia invites applications from qualified entities to apply for funding under this Request for Applications (RFA). The primary objective is to fund projects and activities that are consistent with locally developed CDBG Program Priorities and to address the federal/local Consolidated Plan objectives.

B. FUNDING AVAILABLE

The City of Columbia is a CDBG "Entitlement" Program city (i.e., for cities with populations over 50,000). As a CDBG Entitlement city, the City of Columbia receives an annual allocation of CDBG funds. The grant amount is determined by the higher of two (2) formulas:

- ❑ Data based on overcrowded housing, population and poverty, OR
- ❑ Data based on age of housing, population growth lag and poverty.

Because the data used to calculate either formula varies from year to year, the funding amount is not predetermined. The City anticipates receiving **\$2,387,184** in CDBG revenue, (\$1,026,764 in new entitlement, estimated \$650,000 in Revolving Loan Fund (RLF) and \$710,420 in prior RLF). During this funding cycle, a total of \$2,028,782 is available for Public Service Activities, Public Facility Improvements and Housing

activities located within the four (4) priority redevelopment areas. **\$150,000 for Public Service activities and \$1,878,782 for Public Facility Improvements & Housing Activities.** City Council defined priority areas for 2017-2018 & 2018-2019 fiscal years, have been extended into the 2019-2020 fiscal year and has designated funding for public facilities improvements and housing activities for city departments city departments only. All redevelopment areas are identified in the 2015-2019 Consolidated Plan.

During the 2019-2020, competitive applications will be accepted for the CDBG Public Service Activities only, which includes neighborhood improvement grants.

This NOFA/RFA is a one (1) year funding request.

In accordance with the U. S. Department of HUD Rule on Faith-Based Organizations (Faith-Based Initiative), September 30, 2003 (24 CFR Part 92 et al):

3. Revitalize low-income communities
4. Empower low-income families and individuals to become self-sufficient
5. Help people who are in need.

Faith-based organizations are eligible to receive HUD funding on an equal footing with any other organization. Faith-based organizations are no longer required to form a separate, secular organization 501 (c) (3) to receive funds as was previously required.

Faith-based organizations may receive HUD funds to acquire, rehabilitate, or repair buildings and other real property, as long as the funds only pay the percentage of the total cost attributable to the HUD activities. However, HUD funds may not be used to acquire or improve sanctuaries, chapels, and other rooms that a congregation uses as its principal place of worship.

The following is a brief definition of each item and how it will be assessed:

- ❑ **Goal(s):** The intent or purpose to be achieved by the project. The project will be assessed to determine if the stated goal(s) is an integral part of the operation/implementation of the project and if it is being achieved.
- ❑ **Objectives:** Clear description of what kinds of activities will be undertaken and/or performed in order to achieve the project's stated goal(s). The objectives, when clearly defined, provide the project with a mechanism by which the project will meet its goals. Whenever possible, the project should indicate quantifiable and qualitative results that have been achieved as a result of project activity.
