SUMMER CAMPS

Be Great Academy Adventure Camp

Powered by Boys & Girls Clubs of the Midlands.

The BE GREAT Academy Summer Adventure Camp offers a dynamic and engaging summer experience for children, featuring daily fitness activities, large group games, and healthy lifestyle sessions to keep kids active and energized. The program also encourages curiosity and critical thinking, with daily Brain Gain activities that help prevent 'summer slide' and promote the joy of reading, math, and STEAM activities. Arts and crafts curriculum is included to provide an important outlet for creative expression. The Summer Adventure Camp program ensures every day is filled with fitness, exploration, and fun.

Diagnose the Gross

Great googly moogly! Join us this summer as we slither into some weird, sticky and sometimes icky science experiments. In our Grossology themed summer camp, we will be discovering the many shades of boogers using slimy science, creating earwax inspired candles, dissecting owl pellets to learn more about their diet, and so much more! Grab your gloves and goggles, it's going to get gross!

SUMMER CAMPS

Making Movie Magic

Lights, Camera, Action! Have you ever wondered what happens behind the scenes of your favorite movies? Ever wondered how so-called 'movie magic' is made? In Act I, campers will be enchanted by light-up crowns and bouncing bubbles as they go beyond the costume to craft their own magical props. In Act II, they will adventure into sound and set design through the exploration of familiar fairytales. By Act III, this camp is sure to make a grand finale as campers learn to sew their own fantastical friends--or foes? Campers will also have the incredible opportunity to experience the museum's newest exhibition, Heroes & Villains: The Art of the Disney Costume for inspiration. Cast your creative spell before the clock strikes twelve!

Robots Make it Work

Robots are pretty cool, but do you ever wonder why we need them? This week, we will dive deep as we learn how robots travel through water with Sphero Bolt, load up our code as we discover how to transport cargo with Wonder Workshop's Dash bot, and dream big as we explore marvelous new places with LEGO SPIKE Essentials. We'll get hands-on with over ten robots and learn about their real-world counterparts before we end the week with an open exploration of our favorites!

Cinematic Creations

Help us set the stage this summer as we delve deep into the art of cinema by imagining stories for the big screen! We will go behind the scenes as campers visualize timeless tales (with a twist) and learn how shows in the planetarium and 4D theaters trick our senses to seem so real. Campers will be piecing together their own storyboards, designing costumes for their own creative characters, and learning about light, color, and effects through the study of set design – all inspired by our blockbuster exhibition, Heroes & Villains: The Art of the Disney Costume. There's truly no place like museum camp!

SC is Workin’ 9- to - 5

What do aerospace, tourism, agriculture, and automotive have in common? They are all leading industries in our state! Campers will explore each of these industries while they design air compressor rockets and meet with archaeologists to reconstruct their own pots. They’ll even have the opportunity to hear from one of our museum’s own art curators as we learn about the cultural history of face jugs and what it takes to be a museum professional. It’s a way to make a livin’!
