

PRIDE, PREVENTION, AND COMMUNITY POWER

Join us for a powerful community conversation centered on building a safer, more connected South Carolina. Together, we'll explore urgent issues including gun violence prevention, LGBTQ+ safety, mental health awareness, suicide prevention, allyship, and access to vital community resources. You will also learn meaningful ways to get involved in advocacy, support local change efforts, and help shape a more inclusive and compassionate future for the City of Columbia and communities across the state.

Topics will include:

- Gun violence prevention through an LGBTQ+ lens
- Current South Carolina firearm policies
- Mental health and LGBTQ+ suicide prevention
- Community resources and support systems
- Allyship and advocacy
- Opportunities for community involvement and action
